

International Journal of Operations and Quantitative Management
TRANSFER OF COPYRIGHT

1. The undersigned (“Author”) hereby assigns to Publisher of the International Journal of Operations and Quantitative Management (“Journal”) for the full term of copyright, the sole and exclusive rights in the whole copyright in and to the “article” entitled,

Manuscript Number: _____

(The “Article”) for publication in the Journal. This grant of rights includes, but is not limited to, the rights to republish and use the Article and the material contained therein, throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so.

2. The publisher will not withhold permission for any reasonable request from the Author to use material from the Article in connection with any other work by the Author except for inclusion of all or a substantial part of the Article in a competing publication, provided the material appears with an appropriate credit to the Publisher and to the Journal and with copyright notice as set forth in the Journal. Such permission must be obtained from the Publisher in writing and in advance.
3. The Author warrants that the article is the Author’s original work, it has neither been copyrighted nor published, and that it is not under consideration for publication elsewhere. The author also warrants that he or she has obtained all necessary permissions required for publication.
4. The Author also warrants that he or she has the right to enter into this Agreement, the Article contains no libelous or unlawful statements, contains no instructions that may cause harm or injury, and does not violate the copyright or trademark, or infringes on the rights or the privacy of others; and that all statements in the Article asserted as fact are either true or are based upon reasonable research.
5. If the article is jointly authored by more than one author, this copyright transfer form must be signed by all the authors.
6. If the Article is rejected, this assignment is null and void.
